What Distinguishes Us?

Services and Solutions

◆ **Salary Structure Analysis.** Offer your employees attractive benefit structures by maximizing the tax burden on their salaries, according to the necessities of each particular case.

◆ **Registration with the Labour Authorities.** Registering with the State Labour and Social Security Authorities, amongst others, is part of the obligations that companies have to meet in Mexico.

◆ **Processing Payroll.** We manage your payroll process optimizing the time spent on tax and social security contribution calculations for the employees as well as for the company. We adapt to your particular needs by running payroll on a weekly, biweekly or monthly basis or according to particular periods as required company.

Let's Talk Payroll!

At Payroll Plus® we specialize in managing high volume payrolls, consultancy regarding labour obligations, labour taxes and contributions, by offering flexible services according to each company's particular needs.

Foreign Clients

100% of our clients are international companies doing business in Mexico.

By concentrating exclusively on this area we dedicate our experience to helping with issues that a foreign company may be faced with when doing business in Mexico.
